**Indiana's CollegeChoice 529 Education Savings Plan Allowed for Indiana K-12 School Tuition**

An Indiana CollegeChoice 529 Education Savings Plan is a program under which a person may make cash contributions to an account on behalf of a beneficiary for payment of qualified higher education expenses. Primary or secondary school (K-12) tuition paid for enrollment or attendance at a public, private, or religious school is also considered a "qualified higher education expense" under IRC Section 529. However, no more than \$10,000 in K-12 tuition per beneficiary per taxable year will be considered a qualified higher education expense. A contribution to an Indiana CollegeChoice 529 Education Savings Plan account intended to be used to pay for K-12 tuition must be designated as such. A tax credit of 10% of the amount of all contributions made for K-12 tuition (up to a maximum credit of \$500) may be available to those filing an Indiana Income Tax Return.
