ADVANCED PLACEMENT COURSES

Oldenburg Academy offers 12 Advanced Placement courses. AP courses are more heavily weighted in terms of GPA due to the advanced nature of the information covered. These courses offer students the opportunity to do college level work while they are still in high school. Students earn college credit hours based on their scores on the National Advanced Placement Exams taken in May each year. AP courses are listed on the course list (left).

DUAL CREDIT COURSES

Oldenburg Academy offers 16 dual credit courses on campus in partnership with Ivy Tech Community College. Dual Credit is an option for high school students to simultaneously take college classes while in high school, to receive college credit, and to fulfill high school requirements. Current dual credit course offerings include Anatomy & Physiology (101 & 102), Medical Terminology, Finite Math, AP Calculus, English 12, AP English Literature, Advanced Speech Communications, Introduction to Interpersonal Communication, Pre-Calculus (136 & 137), Spanish III (101 & 102), AP Spanish (201 & 202), Principles of Marketing, World Religions, Christian Ethics, American Literature, AP English Language (111 & 215)

COLLEGE TO CAREER READINESS PROGRAM

Each senior participates in a community-partner internship or capstone project to culminate their high school experience and become familiar with real-world applications of their intended college major. Students are challenged to go above and beyond the textbook and apply their knowledge from the past four years assisting them to narrow down their college major, thus preparing them for college, all the way to their career.

FRESHMAN ACADEMY

During the first quarter, freshmen will attend a series of mini classes to help ease the transition for freshmen into high school and welcome them into the OA family. Topics discussed include service/volunteer hours, note-taking skills, technology, student services, GPA-day, organizational skills, test-taking tips, and cultural awareness.
