**AmazonSmile** is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com.

The difference is that when customers shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization selected by the purchaser.

When first visiting AmazonSmile, customers are prompted to select a charitable organization from almost one million eligible organizations. Please help our students by selecting Oldenburg Academy! Thank you!
