Holly Bruns

Holly grew up in Millhousen, IN, graduated from ICA (now OA) in 1974 and continued her studies at Marian College. Upon graduation, she began her 29 year teaching and coaching career at South Decatur High School. Holly left her mark as a role model, mentor, leader, and was always the competitor. She spent her life making a positive impact on her students, community, friends and family. She passionately conveyed to her students the messages, "Just say no to drugs" and "Don't drink and drive". Her lesson for all of us is to be the best you can be, stay fit, be confident, be positive, live well and set the bar high. In addition, Holly was an accomplished member of the Red Setters Field Trial Club and an avid bicyclist. Ironically, Holly was killed by a drunk driver while riding her bike along State Route 3 in North Vernon, IN on October 31, 2008. Her commitment to education continues through the establishment of a scholarship in her name at Oldenburg Academy. Currently there are 9 scholarship recipients attending OA.
